“What Do You Need To Conquer?”
Hi, my name is Nikki. I’m the founder of Blind Justice & possibly Australia’s first legally blind fashion designer. A lifetime love of fashion design, fitness & social inclusion has led me to create ‘Blind Justice’.

**Blind Justice is Inspirational Athleisure Wear created by those who conquer challenges, for those who are ready for one!**

Blind Justice’s vision is to encourage social understanding & conversation to recognise the qualities required to survive a refugee experience as some of the qualities we most admire, value & aspire to.

The expressing of these qualities & experiences, through Art & Words, is the key to our vision & mission; & what will set our designs apart as genuinely INSPIRATIONAL & STUNNING!

YOU will be creating INSPIRATIONAL WORDS to put on our high performance, mostly unisex, athleisure wear: leggings, yoga pants, t-shirts, hoodies, sports bras.

**We want you to transform YOUR inspirational SUPER HUMAN qualities, into words that have the power to inspire a SUPER HUMAN attitude in fitness & life!**

What would you like to say to the world?

All our Blind Justice models will be survivors of a refugee experience (please let us know if you are interested in modelling your own winning design!). And as many of our Blind Justice creative team as possible will be survivors of a refugee experience: social media, graphic design, administration, photography, accounting, garment construction.

**So, are you ready to INSPIRE ...**
